4	4	7.05
5	5	7.05
5	5	6.55
7	7	6.55

Notes

Lowest cost (\$70-95). Hobby-grade, limited docs.

Best balance (\$130-150). Good for 20A circuits.

Common CNC choice (\$120-200). Selected for project.

Higher quality but too expensive (\$450-500).
